

The Malleable Addict: Heroin Addiction, Therapeutic Treatment and Biopolitics in Southwest China

Presentation by

**Sandra Teresa
Hyde, PhD, MPH**

*Associate Professor
Departments of Anthropology
and Social Studies of Medicine
McGill University*

Friday May 6, 2011 at 2:00pm

Room 105, 10 Sachem Street

*Refreshments will be provided

Sandra Teresa Hyde has an MPH from the University of Hawaii and a PhD in Medical Anthropology from UC Berkeley/San Francisco. Her current research is on treatment for opiate addiction in China, which dovetails nicely with her ongoing focus on the cultural politics of infectious diseases, humanitarianism and governmentality. Her publications include the edited volume *Postcolonial Disorders* and her monograph *Eating Spring Rice: The Cultural Politics of AIDS in Southwest China*.

Please RSVP to rose.keimig@yale.edu by Tuesday May 3

Sponsored by:

*The Council on East Asian Studies and the Department of
Anthropology*
